Re: Monthly Report

The Building Department has issued 28 permits for the month of May. 17 have been issued for the City of Ely and 11 for White Pine County. Still shadowing Brad when we schedule him for Plan Reviews, Finding of Facts, and Commercial Inspections. I have been taking care of the Residential inspections since my hire date and feel confident with taking care of those inspections without Brad. I plan to take the B1 Residential Inspector exam the week of June 14-18, 2021. I will have to pencil out a half day to take that test. The day-to-day tasks and inspections consume a good portion of day. I do appreciate the City Councils patience in this matter.

Thank you,

Lee Walker
